

## 1073.3 FORK LIFT ACCESS CAGE

The 1073.3 Foldable fork lift access platform is ideal for general use where high level access is necessary by fork lift truck. Secured safely to forklift trucks by heel pins and folds down flat to increase storage space.

Capacity	Width	Length	Height	SWL	Weight
2 Man	1200 mm	1000 mm	1250 mm	250Kg	95Kg
